

PROMOTING BETTER WORKING AND LEARNING BETWEEN PHARMACY AND PUBLIC HEALTH

*A ONE DAY WORKSHOP WITH **NHS EAST MIDLANDS***

MARRIOTT HOTEL, LEICESTER

FRIDAY 19TH MARCH 2010

The Department of Health has commissioned a series of workshops across England to promote leadership, shared learning and joint working between pharmacy and public health teams.

The day should be of particular interest to:

- PCT Public Health Leads
- PCT Commissioning Leads
- PCT Pharmacy Leads / Chief Pharmacists
- LPCs and community pharmacists

Key themes to be explored include:

- National and local priorities for Health & Wellbeing
- Developing individuals and teams to deliver
- Local examples of innovative practice
- The way forward for the NHS East Midlands

Places are free to delegates but will be allocated on a first-come, first-served basis.

To reserve your place on the workshop please email info@phlink.org.uk with your name, job title, organisation, contact details and the name of the SHA workshop you would like to attend.

More details of the event will be sent by email nearer the time.
