

# MESSAGE IN A BOTTLE

## ONE DAY CONFERENCE

HELPING INCREASING & HIGHER RISK DRINKERS.  
SHARING BEST PRACTICE.

# FRIDAY 12TH MARCH 2010 NOTTINGHAM

GPs, nurses, midwives and health visitors working in health and social care settings are at the sharp end of dealing with increasing and higher risk drinkers. This one day conference aims to offer advice, guidance and information relating to the prevention and management of harmful alcohol use. It is an opportunity to share best practice and for Nottingham to showcase how it is successfully tackling the problem.

## FORMAT FOR THE DAY:

- 9.00-9.45am: Registration and coffee.
- Morning session: Keynote speakers from the Department of Health, NHS Nottingham City, Nursing Council on Alcohol and the Last Orders Service. Includes a Q&A session and time to network, visit exhibitors and talk to ex service users who have had alcohol problems.
- 1.00pm: Lunch.
- 2.00pm: Afternoon session – Attend two workshops from a choice of five: Community Detoxification, Young People & Alcohol, Hidden Harm, Health Promotion in Targeted Groups, Offender Health, Hospital Liaison and Identification & Brief Advice.
- 4.00pm: Close.

To book your place, visit Events on [www.alcohollearningcentre.org.uk](http://www.alcohollearningcentre.org.uk) and book online or complete the booking form on the next page or email [lastorders@frameworkha.org](mailto:lastorders@frameworkha.org)
