PHORCaST

- will help recruit, retain and develop the careers of people working in public health (including health and wellbeing) from volunteers up to senior management.
- is a UK-wide initiative, funded by the Department of Health, England, and the devolved administrations of the UK.
- PHORCaST has been developed by the Public Health Resource Unit (PHRU), East Midlands Healthcare Workforce Deanery, East Midlands TPHN, West Midlands TPHN and Skills for Health.
- is being promoted and piloted around the UK from November 2009.

For more information and dates of promotions go to:
